# Additional Information

Wow, an Extended Reception Minne Wedding™ sounds awesome! What else do we need to know?

Our catering and beverage partners will work with you to create a custom reception menu. You will be connected to these representatives about six months prior to your wedding or upon booking, whichever is sooner. The food and beverage minimum for the Extended Reception Minne Wedding™ (before tax and fees) is \$2,000. An hors d'oeuvres reception, buffet, or sit down dinner - you can do any kind of food service style you desire! If you would like to see sample proposals please email: amy@minneweddings.com

Our team will take good care of you every step of the way. We schedule a kickoff call to get the process started right after you book. Additionally, we will work with you to create your custom day-of wedding timeline and coordinate any logistics.

Many couples choose to personalize their Extended Reception Minne Wedding™ by adding entertainment, such as live music or a photo booth. We can give you recommendations for vendors to make your wedding even more amazing.

# FAQ

## Is dancing allowed?

We've all seen Footloose and know what happens when you ban dancing, Kevin Bacon shows up in some tight jeans and saves the Senior Prom. We would never want to prohibit dancing, but the format and size of an Extended Reception Minne Wedding™ doesn't work for a ragin' dance party. You are able to have up to three special dances (i.e. first dance, Father Daughter dance) with limited participants.

## Will there be photo and/or video coverage of the extended reception?

Photography coverage is for 90 minutes beginning at the start of your Extended Reception Minne Wedding™ and videography coverage is for the ceremony only and also must happen within the first 90 minutes. You may add on additional coverage of one or both services, as well as additional finished products. Shoot us an email for pricing on the various options.

## Can we do a "first look"?

Yes! We will coordinate this with you to make this moment happen upon your arrival.

## Can we do toasts?

Yes, adding toasts and/or speeches makes for a really memorable wedding and we love to hear them! A microphone can be available upon request and may incur an additional charge.

## What about COVID-19?

Currently there are no restrictions that would impact your Extended Reception Minne Wedding™, yay!

## Can the ceremony be longer since we have more time?

Yes, we are able to accommodate a longer ceremony without compromising the rest of your Minne Wedding™ experience. You will work with your officiant to customize the ceremony. If you are bringing your own officiant that works too!
